REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: claims 1-6 are allowed over the prior art of record because all of references of the record, viewed as closest prior art and considered alone or in combination, fails to suggest or fairly teach a method for encoding a sequence of data into a plurality of fixed packets for writing to an optical disk including a combination of steps: (a) adjusting a first block count when receiving a block data of the sequence of data; (b) comparing the first block count with a default block count; (c) encoding the received unencoded data into a fixed packet when the first block count fits the default block count in step (b); and (d) writing the coded fixed packet into the optical disk as recited in claim 1 and an optical disk drive for writing a sequence of data into an optical disk by means of fixed packet burning comprising a combination of: a first counter for adjusting a first block count when receiving a block data of the sequence of data; a comparison circuit for comparing the first block count with a default block count; an encoding module for encoding the received unencoded data into a fixed packet when the first block count fits the default block count; and a writing module for writing the coded fixed packet to the optical disk as recited in claim 5. Claims 2-4 and 6 are allowed with their respective parent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
